

FCA SURF CAMPS

Scholarship Request Form

It is our desire to serve the community and we understand that not everyone has the financial resources to send their kids to camp especially during these economic times. FCA SURF is a Non-Profit Organization and we do our best to work with those families who really need help. Our scholarship funds are limited, so we ask that you please do everything that you can to raise money on your own for the enrollment fee.

In order to request a scholarship, please return this form to the FCA SURF Board of Directors stating the following:

Your **name, address, phone and email**:
